Purpose: In addition to the general Tech Prep Agreement between the University of Alaska Southeast and Wrangell School District, we have agreed to the following process and criteria with respect to the program of Certified Nurse Aide (CNA) Training.

1. The Wrangell School District Certified Nurse Aide Training program taught through the Wrangell Medical Center will follow a curriculum based on the State CNA Standards and coordinated with the administration and faculty of the University of Alaska-Southeast pertaining to the following courses:

| UAS | Credits | WSD |
|--------------------------------------|---------|------------------------------|
| HS S105 Certified Nurse Aid Training | 9 | Certified Nurse Aid Training |

- 2. The Wrangell School District through the Wrangell Medical Center will teach the attached outcomes to meet or exceed the UAS requirements.
- 3. This course would be open to 11th and 12th graders, realizing that students must be 18 years of age to be employed as a CNA in the State of Alaska.
- 4. Students must have a 2.0 over-all high school GPA to register for college credit.
- Successful completion of this course will qualify students to sit for the Alaska State CNA Certification Exam.
- In order to receive concurrent credit, the student will register for the Tech Prep class during the semester in which the competencies will be completed. The UAS grade posted will be the grade earned in that semester.
- 7. Instructor must meet state board of nursing minimum qualifications as an instructor.
- 8. UAS has the right to approve or deny any instructor for UAS credit delivery.
- 9. To reconcile UAS credit regulations and the State of Alaska CNA hour requirements, all students must **complete a minimum** of 4500 minutes (75 hours) of lecture and 4500 minutes (75 hours) of lab clinical.
- 10. Each completed hour of instruction must equal or exceed 60 minutes of instruction.
- 11. This agreement expires 365 days after any of the undersigned cease in their stated positions below.
