TERMS OF OCCUPANCY

Student is responsible for all of the terms of this Agreement and as a member of the Student Housing community agrees to comply with all university rules, regulations, policies, procedures and community living standards including those printed in the Student Code of Conduct, the Campus Living Guide, the academic Catalog, and any other university publication or electronic access site. All such rules and regulations are by this reference incorporated into this Agreement.

This Agreement is not a lease. It creates no exclusive right on the part of the student to occupy any portion of university property. The university may assign or reassign the student to specific housing when, in the university's sole discretion, it deems such action necessary. The student may not assign any rights or obligations created by this Agreement.

TERM OF THIS AGREEMENT

The term of this Agreement is for Summer 2017 (May 14—August 6). When you sign this Agreement, you agree that you will be responsible for all housing costs. **Residents terminating their Agreement will be charged housing costs based on the Refund/Cost Schedule.**

Occupancy will not begin until the official move-in day unless pre-approved arrangements are confirmed by the Associate Director of Residence Life. Additional housing charges may be assessed to the student.

All students of UAS are eligible for student housing but are not guaranteed housing until approved by the Student Housing department. To better manage occupancy, Student Housing may establish occupancy priorities and eligibility/credit hour requirements at any time deemed necessary.

NIGHTLY RATES OUTSIDE OF AGREEMENT PERIOD

Additional stays in Housing outside of contract dates will be based upon one of two rates. For related academic reasons documented by the resident and approved by the Associate Director of Residence Life, a daily rate is based on the actual number of contract days divided by the semester rate. As such, daily rate is semester specific. For non-academic reasons, the daily rate is \$75 per night and must be approved in advance.

UNIVERSITY AUTHORITY

The university reserves the right to:

- a) Change room assignments (consolidate) when vacancies occur. Occupants residing in multiple capacity units with less than the total occupancy available must accept another roommate and/or move to another unit. Students already on the private bedroom waiting list may keep the room and assume the additional cost if space is available.
- b) Re-assign students from a room, unit, or building if necessary for health, safety, financial, or disciplinary purposes or when premises are unsuitable for occupancy.
- c) Enter any unit in order to inspect the same; make essential, preventative, routine, or agreed upon repairs, decorations, alterations or improvements; supply necessary or agreed upon services; or exhibit the premises to laborers or contractors, or as is otherwise necessary in the operation and/or protection of the premises or persons therein.
- d) Enter any premises in the event of an apparent or actual emergency, if there is reason to believe that a university policy is being violated, or when other community members' rights are being violated and entry cannot be gained by normal means.
- e) Close a residence and re-assign residents to available space in other residences or within a residence when sufficient vacancies occur and/or the need arises.
- f) Refuse or terminate housing to any student who is delinquent in the payment of student account fees, who has demonstrated an unwillingness to abide by Board of Regents policy, university Regulations and Residence Life policies and procedures, who may impact the community and/or students personal safety, or who exhibits behavior which is incompatible with maintaining order and propriety of the Student Housing community.
- g) This agreement may be terminated by the University by giving the occupant ten (10) days advance written notice to vacate the premises, for any reason, at the sole discretion of the University. If the student chooses to vacate their assigned unit during the term of this Agreement, but remains enrolled at the university, or the student fails to occupy their reserved space by the first day of classes without prior notification to Student Housing, the student will forfeit their deposit and will agree to pay for occupancy as outlined in the "Refund/Cost Schedule" section.

Damage/reservation deposits (currently \$300) will be held by the university and carried forward to subsequent academic years until the termination of this Agreement. At the time of termination, the deposit may be used to cover cancellation/termination charges plus costs for any loss or damage caused during occupancy and not otherwise paid or provided for by the student. The same may be applied to pay for other obligations owed by the student to the university. Any portion of such deposit not applied as provided herein will be processed for mailing to, or refunded to the credit card used by, the student within 15 business days after proper check-out.

CHECK OUT

A student's occupancy in university housing is terminated by the university by official check-out (in-person) with a Residence Life Staff member. Students failing to complete an official check-out forfeit their deposit and will be assessed all appropriate cleaning, damage, and check out fees or housing charges. The Premises, including equipment, furniture and fixtures shall be clean and in as good order and condition as when received, reasonable wear and tear excepted. Upon termination of the Agreement, the university shall have, and is hereby granted, the full and free right to remove property of the student or others from the Premises. The university's exercise of this right shall not be grounds for a claim of trespass, eviction, or forcible entry and detainer nor shall it relinquish any of the university's rights. Any and all property which may be removed from the Premises by the university pursuant to the authority of this Agreement or of law, to which the student or others may be entitled, shall be handled or removed by the university at the risk, cost, and expense of the student.

DAMAGE TO YOUR UNIT

You are responsible for any damage, reasonable wear and tear excepted, to your unit. Damage to an apartment or suite shared by several people will be attributable to all occupants of the unit, unless individual responsibility is established. Upon cancellation, abandonment, or termination of this Agreement, you must pay the cost to repair all damages, other than normal wear and tear, in your unit or your share of the costs for damage to the common areas.

SUBLET/UNAUTHORIZED GUESTS

A room or unit is to be occupied only by the resident(s) for whom it is reserved. Rooms or units may not be sublet or used by non-residents for any purpose. A resident found to be in violation of this policy may have their Agreement terminated by the university.

WAIVER AND SEVERABILITY

No term or condition of this Agreement can be waived by the university except as authorized in writing by the Associate Director of Residence Life or designee. Requests must be made in writing. Should any clause or portion of this Agreement be held invalid, the other portions of this Agreement shall remain in effect.

INDEMNITY AND LIABILITY

The university accepts no liability for: a) Damage or injury to persons or property or loss of property of student unless the same is caused by the gross negligence or willful misconduct of the university. b) The loss, damage, or destruction to all personal belongings in the custody of, belonging to, or stored by the student, regardless of cause. This includes losses that occur in the students bedroom, common areas, and elsewhere in the unit, in other areas of Student Housing or campus. The university strongly recommends that students secure insurance for personal property with a private insurance company. The university does not insure the student's private property.

MEAL PLANS

Purchase of a meal plan is an optional cost incurred by Family contract residents. Meal plans start on the day of housing move-in and end on the day of housing move-out. The meal plan cost is non-refundable, non-transferable, and the remaining balance, if any, expires at the end of each semester. The meal plan is only valid at on-campus Dining Services locations. Meal plan appeals can be submitted for review within the first two weeks of school, along with documentation supported by a medical doctor or physician.

TERMINATION/FORFEITS

Agreement may be terminated by the resident at any time by submitting a Cancellation Form. Financial obligations related to cancellation will be decided upon the Refund/Cost Schedule as it relates to the date of official check-out. For residents experiencing hardship or life-changing events, the resident may request cancellation of this Agreement for hardship by submitting a Cancellation Form and supporting documentation to Student Housing. If approved, you will be notified in writing. If denied, you will be notified in writing and held to the terms of this agreement for the remainder of respective semester(s).
