

**University of Alaska Southeast
Ketchikan Campus**

Snow Day Policy

When inclement weather makes it necessary to close the campus for the safety of students, faculty & staff, the following procedures will apply.

For official notification of weather-related closures:

- Sign up for UAS text alerts by managing your “Messaging Options” in your UAS online profile
- Ketchikan radio stations
- UAS Ketchikan website (www.ketch.alaska.edu)

Cancellation of courses which meet via the web will be at the discretion of the instructor for each course.

**Students must check their course homepage(s)
for information during inclement weather**

Severe or Dangerous Road Conditions

When road conditions are considered severe or dangerous but the campus remains open, students, staff, and faculty are individually responsible for making his/her own decision as to whether he/she feels comfortable traveling to work or class according to road conditions and driving ability.
