

Campus Life at UAS – Juneau Campus

***Welcome!** Hello and thank you for your interest in campus life! My name is Eric Scott and as Director of Campus Life I am excited to begin this year engaging the campus community in developmental opportunities outside of the classroom. These opportunities aim to supplement the instruction and inquiry students gain from your classes and encourage developmental reflection.*

Campus Recreation

The UAS Campus Recreation Center, located on the other side of Back Loop from the campus center is a state of the art facility that serves students, faculty, and staff. The facility features a gym, indoor track, cardio and weight equipment, a fitness studio, climbing wall, classrooms, and student activity center. In addition, a variety of outdoor and recreation equipment is available for rental.

NEW this year, Campus Recreation will maintain a strong programmatic focus of fitness, wellness, recreation, and intramural sports. We invite faculty to engage in any and all activities we offer. Please keep an eye out for advertisements and invitations. In addition, faculty may purchase a membership to utilize the center at the following rates: **Annual:** \$350 for individual or \$550 for a family*, **Semester:** \$125 for individual or \$200 for a family, or **Monthly:** \$35 for individual or \$50 for a family.

SPECIAL: Under new leadership and in promotion of wellness, Campus Recreation is excited to offer a special opportunity this year: **Annual memberships discounted 50%** if faculty/staff sign up by September 15th. **That's \$175 for an individual and \$275 for a family for an annual membership through August 31st, 2015!**

Contact Eric Scott at Eric.Scott@uas.alaska.edu or visit www.uas.alaska.edu/juneau/rec/ for more information.

Student Activities

Student Activities and the affiliated Student Activities Board (SAB) work during the entire academic year to provide leisure and development opportunities to keep students balanced and engaged. View the activities calendar online at www.uas.alaska.edu/juneau/activities/ and look out for advertisements around campus for upcoming events. We welcome everyone to the **4th Annual Campus Kickoff** on September 5th, 2014!

For more information on Student Activities and SAB contact Tara Olson at Tara.Olson@uas.alaska.edu.

In addition to Student Activities, UAS also offers a student voice through Student Government. Contact Amber Averette at Amber.Averette@uas.alaska.edu or visit www.uas.alaska.edu/juneau/activities/student_gov/ for more information.

Student Housing

Students have a variety of options on the UAS Juneau campus including our brand new First-Year Residence Hall and apartments for upperclass students. Residence Life, a division of Student Housing is comprised of professional and student staff members who work to encourage safety, security, and academic success of on campus students. In addition, they provide opportunities for interpersonal development.

For more information on Student Housing, contact Paul Dorman at Paul.Dorman@uas.alaska.edu or visit us online at www.uas.alaska.edu/juneau/housing/.

NEW this year, Student Housing is offering a **Faculty in Residence** Opportunity for Juneau faculty. This is a chance for a faculty member and their qualified dependents to reside in on campus housing at discounted rate in exchange for academic engagement with the residential community. If you are seeking a residence in Juneau and are full-time faculty, this could be the opportunity for you. For more information, contact Eric Scott at Eric.Scott@uas.alaska.edu.
