

# Health Information Technology

OE | Occupational Endorsement

UNIVERSITY  
of ALASKA  
SOUTHEAST

SITKA CAMPUS

*“I wanted to be prepared for a job without running up debt. Now, I’m heading up a small hospital HIM program. The Sitka Campus didn’t just change my future - It set me on a new trajectory!”*

—Morley Gordon

Health Information Technology

## Health Information Technology through the UAS Sitka Campus

Healthcare Information Technology is an all-encompassing concept for a range of technologies to analyze, share, and store health information. Courses introduce students to the fundamentals of electronic health records including privacy and security of Protected Health Information (PHI).

Courses in the Healthcare Information Technology are delivered both on campus and e-learning. This Endorsement provides training for healthcare workers in the use of health information technology.
