Purpose: In addition to the general Tech Prep Agreement between the University of Alaska Southeast and Juneau School District, we have agreed to the following process and criteria with respect to the programs of Welding.

1. The Juneau School District program will follow a curriculum coordinated with the administration and faculty of the University of Alaska Southeast pertaining to the following courses:

<u>UAS</u>	<u>JSD</u>
WELD S120 Basic Welding	3 credits Metals I

2. Juneau Douglas High School will teach for the attached outcomes.
3. Students must have an overall 2.0 GPA to register for university credit.
4. It is recommended that coursework be completed at a level of 3.0 GPA.
5. Those electing to register for University of Alaska credit must declare so at the beginning of the semester.
6. Juneau School District will implement safety procedures as designated by AWS QC10 and EG2.0 2006.
7. A safety contract, completed and signed by the student and the parent, will remain on file with the school district.
8. Students must pass a written safety test with 90%, which will remain on file with the school district.
9. UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure they replicate exactly what is taught in the equivalent UAS courses on campus. This includes standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation of student performance.
10. In order to receive concurrent credit, the student will register for the Tech Prep class during the semester in which the competencies will be completed. The UAS grade posted will be the grade earned in that semester.
11. Any change in instructor requires suspension of this addendum.
