

## Health Sciences Addendum to UAS/Mt. Edgecumbe High School Tech Prep Agreement

School Year 2014-2015

**University of Alaska Southeast**  
Health Sciences  
School of Career Education  
11120 Glacier Highway  
Juneau, Alaska 99801

**Mt. Edgecumbe High School**  
Health Sciences Program  
1330 Seward Avenue  
Stika, Alaska 99835

**Purpose:** In addition to the general Tech Prep Agreement between the University of Alaska Southeast and Mt. Edgecumbe High School, we have agreed to the following process and criteria with respect to the programs of *Associate of Applied Science in Health Sciences*.

1. The Mt. Edgecumbe High School Emergency Trauma Technician – First Responder (ETT), Emergency Medical Technician (EMT), and First Aid/CPR courses will be taught through state certified instructors and will follow a curriculum based on the State ETT, EMT, and FirstAid/CPR Standards and coordinated with the administration and faculty of the University of Alaska Southeast pertaining to the following courses:

<u>UAS</u>		<u>MEHS</u>
HS S118 Emergency Trauma Technician – First Responder	3 credits	Emergency Trauma Technician – First Responder
HS S119 Emergency Medical Technician I	6 credits	Emergency Medical Technician I

2. The Mt. Edgecumbe High School will teach the attached outcomes to meet or exceed the State of Alaska and/or UAS requirements.
3. Students must have an overall 2.0 GPA to register for university credit.
4. Successful completion of these courses will qualify students to sit for the Alaska State ETT and/or EMT Certification Exams. Students must be a minimum of 14 years of age to take the State ETT exam. Students must be at least 18 to be certified as an EMT 1.
5. Those electing to register for University of Alaska credit must declare so at the beginning of the semester.
6. Students must take and pass the State ETT and EMT exam with a grade of 70% or better. Certification as either an ETT and/or an EMT require successful completion of both written and practical examinations.
7. UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure they replicate exactly what is taught in the equivalent UAS courses on campus. This includes standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation of student performance.
8. In order to receive concurrent credit, the student will register for the Tech Prep class during the semester in which the competencies will be completed. The UAS grade posted will be the grade earned in that semester.
9. Any change in instructor requires suspension of this addendum.
