

**Tech Prep Articulation Agreement  
Between  
University of Alaska Southeast (UAS)  
and  
Wrangell Public School District (WPSD)**

**Health Sciences  
School Year 2015-2016**

**Purpose:**

In addition to the general Tech Prep Agreement, the purpose of this articulation agreement is to outline the mutual understanding as we have agreed to the following process and criteria with respect to the program of Health Sciences.

**Course:**

The school district program will follow a curriculum coordinated with the administration and faculty of UAS pertaining to the following course:

**Health Science - EMT - Emergency Medical Technician I**

**HS S119** Training to provide assessment of and basic care for persons with medical emergency in pre-hospital settings. Conditions include acute trauma, pulmonary arrest, wounds, cardiac arrest, shock, fractures, and childbirth. Techniques are presented for lifting and moving the sick and injured. Course provides for State of Alaska EMS requirement of 120 contact hours minimum. **6 Credits (6+2)**

**Prerequisite: Concurrent enrollment in HS S102 or proof of current CPR certification.**

The Wrangell Public School District Emergency Medical Technician I (EMT) course will be taught through state certified instructors and will follow a curriculum based on the State EMT Standards and coordinated with the administration and faculty of the University of Alaska Southeast pertaining to this course. Wrangell Public School District through contracted staff will teach to outcomes to meet or exceed the State of Alaska and/or UAS requirements.

**Administration:**

1. Students must have an overall 2.0 GPA to register for university credit.
2. It is recommended that course work be completed at a level of 3.0 GPA.
3. Successful completion of these courses will qualify student to sit for the Alaska State EMT Certification Exam provided age requirements have also been met.
4. Students must be a minimum of seventeen (17) years of age before registering for the Emergency Medical Technician I course.
5. UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure they replicate the UAS course. This includes standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation.
6. To receive concurrent credit, the student will register for the Tech Prep course at the beginning of the term in which the competencies will be completed. Registration for yearlong courses will take place during the fall semester.
7. The UAS grade posted will be the UAS grade earned for the course and submitted by the district instructor.
8. Student grades will be submitted by 5:00 p.m. of the final day of the district semester at [uaonline.alaska.edu](http://uaonline.alaska.edu).
9. Any change in instructor requires suspension of this addendum.
