

**Tech Prep Articulation Agreement
Between
University of Alaska Southeast (UAS)
and
Petersburg City School District (PCSD)**

**Health Sciences
School Year 2016-2017**

Purpose:

In addition to the general Tech Prep Agreement, the purpose of this articulation agreement is to outline the mutual understanding as we have agreed to the following process and criteria with respect to the program of Health Sciences.

Course:

The school district program will follow a curriculum coordinated with the administration and faculty of UAS pertaining to the following course:

HS 105 – Certified Nurse Aide Training – Trains students in basic skills needed to assist nurses and to be efficient health care team members. Successful students qualify to sit for the Alaska State Nurse Aide certification exam. Minimum 75 lecture hours and 80 lab/practicum hours. **9 Credits Prerequisite: Instructor approval and application with health examination, current TB test and immunizations.**

Although teaching methods may differ, this course will be subject to the instructional objectives and outcomes of the attached UAS syllabus.

Administration:

1. Students must have an overall 2.0 GPA to register for university credit.
2. It is recommended that course work be completed at a level of 3.0 GPA.
3. Successful completion of these courses will qualify student to sit for the Alaska State Nurse Aide Certification Exam provided age requirements have also been met.
4. Students must be a minimum of seventeen (17) years of age before registering for the Certified Nurse Aide Training course.
5. UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure they replicate the UAS course. This includes standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation.
6. To receive concurrent credit, the student will register for the Tech Prep course at the beginning of the term in which the competencies will be completed. Registration for yearlong courses will take place during the fall semester.
7. The UAS grade posted will be the UAS grade earned for the course and submitted by the district instructor.
8. Student grades will be submitted by 5:00 p.m. of the final day of the district semester at uaonline.alaska.edu.
9. Any change in instructor requires suspension of this addendum.

work: 907-772-4291 ext. 5740

Office hours: By appointment

Required Text: Mosby's Textbook and Workbook for Nursing Assistants, 8th Edition by S. Sorrentino

Program Mission:

Train quality Nursing Assistants in accordance with Petersburg Medical Center's mission and guiding values. *Our mission is excellence in healthcare services and the promotion of wellness in our community. Our Guiding Values: Integrity, Dignity, Professionalism, Teamwork, and Quality.*

Course Description:

Trains entry-level workers in basic skills needed to assist nurse and to be effective health care team members. Students qualify to sit for the Alaska State CNA Certification Exam. Minimum of 60 classroom instruction hours and 80 supervised skills and clinical experience hours.

Instruction Methods

- Classroom Lecture
- Lesson and lab skills practice
- Reading assignments and quizzes
- Guest lecturers
- Video Presentations
- Nursing Home and Hospital Practicum

Course Goals/Competencies

At the successful completion of this training course, the student will be able to:

- Function within the nurse aide scope of practice as defined by Alaska state law.
- Demonstrate appropriate communication skills.
- Demonstrate behavior that maintains patient rights.
- Demonstrate knowledge of safety concerns.
- Demonstrate an understanding of basic nursing skills.
- Demonstrate an understanding of basic patient personal care skills.
- Demonstrate knowledge of growth and development principles.
- Demonstrate knowledge of restorative nursing care.

Grading

- 20% -- Professional behavior, attendance, punctuality, lab/clinical skills, clinical rotations/attendance
- 20% -- Quizzes
- 20% -- Mid-Term Exam
- 20% -- Written Final Exam
- 20% -- Skills Final Exam

A grade of "C" or higher is required to take the State Certification Exam.

Grading Scale

A 94-100% A- 90-93% B+ 87-89% B 84-86% B- 80-83% C+ 77-79% C 74-76% C- 70-73

Attendance Policy: Attendance at class and clinicals is mandatory. Excessive tardies may result in course dismissal. Absences may be excused by the course coordinator on a case by case basis for extraordinary circumstances. Contact the course coordinator as soon as you know you will be absent or tardy. Students must complete 60 hours of classroom instruction (theory) and 80 hours of skills/clinical to complete the course. Hours below 60/80 may be completed on the student's own time with coordination and approval by the course coordinator. Any make up hours must be completed with an instructor.

Classroom Expectations:

- Cell phones are off or on silent mode
- Read chapters before class-be prepared
- Bring needed supplies to class each day
- No animals/children in class
- Participate in class-skills/lectures-be attentive
- Dress appropriately according to the student handbook for all classroom hours
- All students will arrive on time for class

Supplies/Items Needed:

- E-mail account and access to the internet
- Classroom supplies (pens, pencils, paper, etc)
- Textbook
- PMC will provide scrubs for clinical rotation
- Students must wear clean (closed toe) shoes for all clinical hours

American Heart Association Basic Life Support Certification (mandatory): Friday, February 17th, 2017. Location: Dorothy Ingle Conference Room.

State CNA Certification Exam: Date to be determined in May. Petersburg Medical Center does not pay for licensure or testing fees. The following link may be used to assess fees and requirements for licensure: <http://www.dced.state.ak.us/occ/pnua.htm>
