Hi Lindy,

I have the Tech Prep agreement with Haines Borough School District for CIOS S105 Computer Literacy for school year 2017- 2018. I have some changes that I made and initialed..

CIOS is no longer a designator at UAS. We now use CIS Computer Information Systems. Please make sure that this change is made in future agreements for this course.

FYI, School of Management will be eliminated effective July 1, 2017 due to the reorganization from Strategic Pathways. We will become the Department of Business and Public Administration within the School of Arts and Science. In the future the Dean for the School of Arts and Science will need to sign.

Vickie

To: Vickie Williams <vlwilliams@alaska.edu>

Thank you so much Vickie. I will make sure the changes you noted are made on future agreements.

Best wishes for your future adventures! You will be missed greatly by many.

Cheers,

Lindy

Tech Prep Articulation Agreement
Between
University of Alaska Southeast (UAS)
and
Haines Borough School District (HBSD)

Computer Information and Office Systems
School Year 2017-2018 U.W.

Purpose:

In addition to the general Tech Prep Agreement, the purpose of this articulation agreement is to outline the mutual understanding as we have agreed to the following process and criteria with respect to the program of Computer Information and Office Systems.

Course: U.W.

The school district program will follow a curriculum coordinated with the administration and faculty of UAS pertaining to the following course:

Computers - Computer Literacy

~~CIS S105~~ Introduces computer literacy based on national IC3 standards. Topics include computer concepts, file management, basic editing and formatting functions in common software applications, basic troubleshooting for computer hardware and software, current electronic communication tools, Internet research strategies, network terminology and components. **3 Credits (3+0) No prerequisite.**

Although teaching methods may differ, this course will be subject to the instructional objectives and outcomes of the previously approved course syllabus that aligns with the UAS syllabus, rigor, and learning outcomes.

Administration:

1. Students must have an overall 2.0 GPA to register for university credit.
2. It is recommended that course work be completed at a level of 3.0 GPA.
3. UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure they replicate the UAS course. This includes standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation.
4. To receive concurrent credit, the student will register for the Tech Prep course at the beginning of the term in which the competencies will be completed. Registration for yearlong courses will take place during the fall semester.
5. The UAS grade posted will be the UAS grade earned for the course and submitted by the district instructor.
6. Student grades will be submitted by 5:00 p.m. of the final day of the district semester at uaonline.alaska.edu.
7. Any change in instructor requires suspension of this addendum.

[illegible]

The management basic editing and correcting functions in common with other electronic communication systems are being developed for computer hardware and software control.

[illegible]

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a message of condolence to the people of the State of California, who have recently suffered from a severe earthquake. The President expresses his sympathy for the victims and offers his assistance in rebuilding the state.

**Health Sciences
School Year 2017-2018**

Purpose:

In addition to the general Tech Prep Agreement, the purpose of this articulation agreement is to outline the mutual understanding as we have agreed to the following process and criteria with respect to the program of Health Sciences.

Course:

The school district program will follow a curriculum coordinated with the administration and faculty of UAS pertaining to the following course:

Health Science - ETT - Emergency Trauma Tech - 1st Responder - HS S118 Designed specifically for Alaskan conditions and needs, addressing environmental problems such as hypothermia as well as first aid. Prepares students to deal with emergencies: ensure scene safety, provide patient care and transport, document incident. For non-medical workers in construction, logging, mining, law enforcement, ski patrol and other occupations where emergency care may be needed. **3 Credits (2+2) No prerequisite.**

The Haines Borough School District Emergency Trauma Technician – First Responder (ETT) course will be taught through state certified instructors and will follow a curriculum based on the State ETT Standards and coordinated with the administration and faculty of the University of Alaska Southeast pertaining to this course. Haines Borough School District through contracted staff will teach to outcomes to meet or exceed the State of Alaska and/or UAS requirements.

Administration:

1. Students must have an overall 2.0 GPA to register for university credit.
2. It is recommended that course work be completed at a level of 3.0 GPA.
3. Successful completion of these courses will qualify student to sit for the Alaska State ETT Certification Exam provided age requirements have also been met.
4. Students must be a minimum of fourteen (14) years of age before registering for the Emergency Trauma Technician course.
5. UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure they replicate the UAS course. This includes standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation.
6. To receive concurrent credit, the student will register for the Tech Prep course at the beginning of the term in which the competencies will be completed. Registration for yearlong courses will take place during the fall semester.
7. The UAS grade posted will be the UAS grade earned for the course and submitted by the district instructor.
8. Student grades will be submitted by 5:00 p.m. of the final day of the district semester at uaonline.alaska.edu.
9. Any change in instructor requires suspension of this addendum.
