## Tech Prep Articulation Agreement Between University of Alaska Southeast (UAS) and Juneau School District (JSD)

### Power Technology Year 2018-2019

#### Purpose:

In addition to the general Tech Prep Agreement, the purpose of this articulation agreement is to outline the mutual understanding as we have agreed to the following process and criteria with respect to the Power Technology program.

#### Course:

The school district will follow a curriculum coordinated with the administration and faculty of UAS pertaining to the following course:

#### **MTR S121 Marine Technology - Outboard and Small Engine Repair**

Outboard and small engine repair theory, diagnosis service and repair of outboards and other small gasoline engines.

**3 Credits (1+4) No prerequisite.**

Although teaching methods may differ, this course will be subject to the instructional objectives and outcomes of the previously approved course syllabus that aligns with the UAS syllabus, rigor, and learning outcomes.

#### Administration:

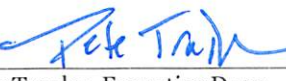

1. Students must have an overall 2.0 GPA to register for university credit.
2. It is recommended that course work be completed at a level of 3.0 GPA.
3. Students must successfully pass a written safety test with 100% accuracy which will remain on file with the school district.
4. UAS program chairs shall review and approve all course syllabi and related curriculum to ensure they replicate the UAS course. This included standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation.
5. To receive concurrent credit, the student will register for the Tech Prep course at the beginning of the term in which the competencies will be completed. Registration for yearlong courses will take place during the fall semester.
6. The UAS grade posted will be the UAS grade earned for the course and submitted by the district instructor.
7. Student grades will be submitted by 5:00 p.m. of the final day of the district semester at [uaonline.alaska.edu](http://uaonline.alaska.edu).
8. Any change in instructor requires suspension of this addendum.
