**Tech Prep Articulation Agreement
Between
University of Alaska Southeast (UAS)
and
Mt. Edgecumbe High School (MEHS)**

**Fisheries Technology
School Year 2019-2020**

Purpose:

In addition to the general Tech Prep Agreement, the purpose of this articulation agreement is to outline the mutual understanding as we have agreed to the following process and criteria with respect to the program of Fisheries Technology.

Course:

The school district program will follow a curriculum coordinated with the administration and faculty of UAS pertaining to the following course:

FT S274-Fisheries Biology

An introduction to the major groups of fishes with particular emphasis on fishes of the Pacific Northwest region of North America. Introduces students to finfish and shellfish. Identification and classification, anatomy and physiology, age and growth, reproduction and behavior will be studied. Emphasis will be placed on commercially important fish species of Alaska.

3 Credits (3+0) Prerequisite: FT S120 or instructor approval.

Although teaching methods may differ, this course will be subject to the instructional objectives and outcomes of the attached UAS syllabus.

Administration:

1. Students must have an overall 2.0 GPA to register for university credit.
2. It is recommended that course work be completed at a level of 3.0 GPA.
3. Students must successfully complete UAS – FT S120 Intro to Fisheries of Alaska with a minimum course 2.0 GPA prior to registering for university credit in UAS – FT S274 Fisheries Biology.
4. UAS program chairs shall review and approve all course syllabi and related curriculum documents to ensure they replicate the UAS course. This includes standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation.
5. To receive concurrent credit, the student will register for the Tech Prep course at the beginning of the term in which the competencies will be completed. Registration for yearlong courses will take place during the fall semester.
6. The UAS grade posted will be the UAS grade earned for the course and submitted by the district instructor.
7. Student grades will be submitted by 5:00 p.m. of the final day of the district semester at uonline.alaska.edu.
8. Any change in instructor requires suspension of this addendum.
