School of Career Education ◻ 1415 Harbor Way ◻ Juneau Alaska ◻ 99801

**Tech Prep Articulation Agreement Between
University of Alaska Southeast (UAS)
and
Petersburg City School District (PBSD)**

**Health Science
School Year 2019-2020**

Purpose:

In addition to the general Tech Prep Agreement, the purpose of this articulation agreement is to outline the mutual understanding as we have agreed to the following process and criteria with respect to the Certified Nurse Aide Training.

Course:

The Petersburg School District Certified Nurse Aide Training program taught through the Petersburg Medical Center will follow a curriculum based on the State CNA Standards and coordinated with the administration and faculty of the University of Alaska Southeast pertaining to the following courses:

HS S105 – Certified Nurse Aide Training

This course is designed to train health care assistants in basic skills necessary to assist nurses in a variety of health care settings and to be efficient health care team members. **9 Credits**

Although teaching methods may differ, this course will be subject to the instructional objectives and outcomes of the previously approved course syllabus that aligns with the UAS syllabus, rigor, and learning outcomes.

Administration:

1. Students must have an overall 2.0 GPA to register for university credit.
2. It is recommended that course work be completed at a level of 3.0 GPA.
3. It is required that the students provide a background check, medical form, TB test and any requirements of the teaching facilities in their area.
4. It is required that the student is CPR/First aide trained either before or during the course.
5. The Petersburg School District through the Petersburg Medical Center will teach the attached outcomes to meet or exceed the UAS requirements.
6. Successful completion of this course will qualify students to sit for the Alaska State CNA Certification Exam.
7. UAS program chairs shall review and approve all course syllabi and related curriculum to ensure they replicate the UAS course. This included standardized course syllabi, course objectives, textbooks, tools, equipment, and methods for evaluation.
8. To receive concurrent credit, the student will register for the Tech Prep course at the beginning of the term in which the competencies will be completed. Registration for yearlong courses will take place during the fall semester.
9. The UAS grade posted will be the UAS grade earned for the course and submitted by the district instructor.
10. Student grades will be submitted by 5:00 p.m. of the final day of the district semester at uaonline.alaska.edu.
11. Any change in instructor requires suspension of this addendum.
