

Adding the Zoom Integration into Blackboard

To add Zoom as a course menu item. Click on the **plus sign** in the upper left corner above course menu. Next, click on **Tool Link**.

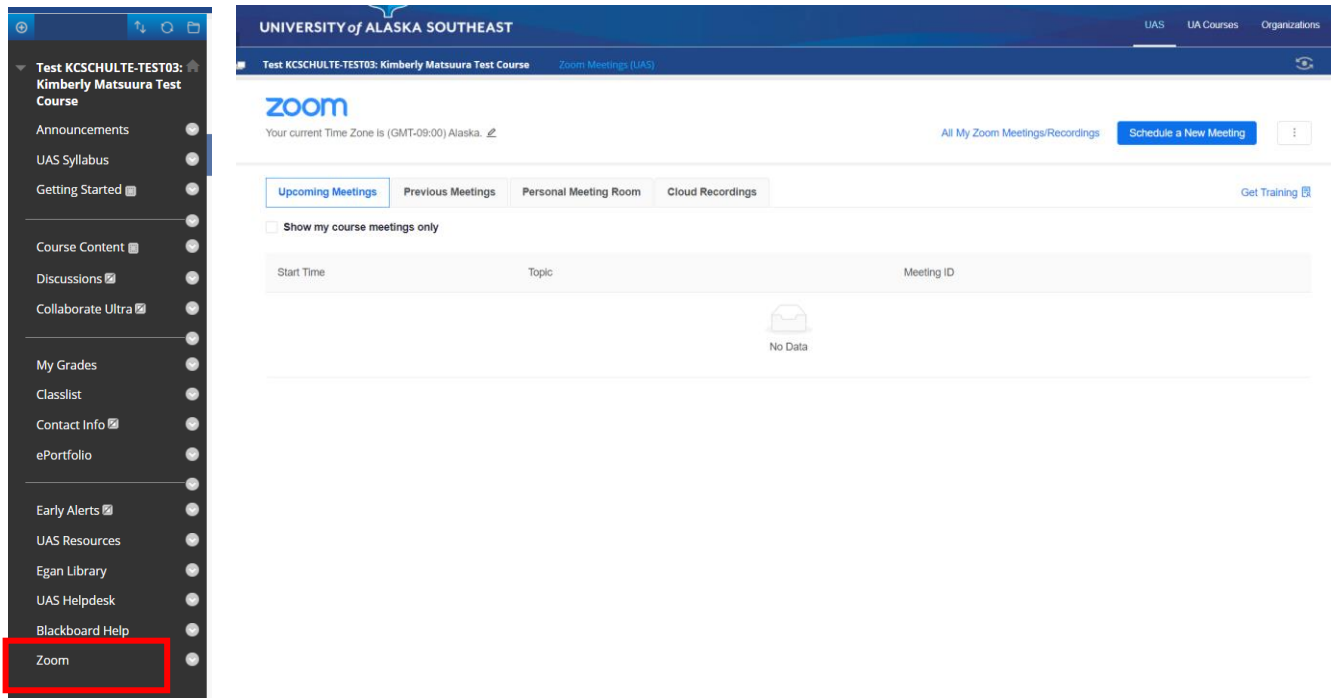

Once the Add Tool Link box is open type in the **Name** box and select **Zoom Meetings (UAS)** for the **Type** of tool.

Adding the Zoom Integration into Blackboard

It will show up on the bottom of the course menu. Move it to the location that fits your course best.

You can also add this in a Content area by choosing **Tools** button, click on **More Tools**, then select **Zoom Meetings (UAS)**.
