### **MEETING AGENDA**

- 1. Statement of Intention:** This meeting starts with the reminder that we are all equals in this committee, and that many or all of us may sit in a position of power and privilege in different ways or in different subjects and we should all meditate on our own possible biases and work to consciously set them aside. Additionally, this meeting is a place where our humanity, our emotions, and our differing thoughts, are allowed and should be honored, respected, and made space for by one another. Finally, we are all encouraged to take a moment to reflect on the geographical places we are located and the history and people of those lands.
