Match/Cost Share Contributions

This form must be completed for all mandatory matching funds/cost sharing (M/CS) requirements, regardless of whether the proposal is for research, training, or other sponsored activities. UAS does not allow voluntary matching funds/cost sharing. Matching funds/ cost sharing beyond the minimum required by the sponsor is strongly discouraged and must be fully justified.

For third party contributions, a letter from the third party contributors indicating the amount of matching funds/cost sharing is required. If awarded, a Record of Certification for Third Party Cost Sharing Contributions form is required.
