- Scholarship Application Form
- A **COPY** of a current unofficial transcript.
- **TWO SIGNED** letters of recommendation.

Application packages are available from the school counselors and advisors in their offices.

Please note: Because there is such little difference in academic qualifications of students applying for this scholarship, a great deal of importance will be placed upon how well the applicant followed instructions, proper spelling and grammar, outside activities, and the report of your abilities. Also, please do NOT use fancy, bulky binders. A simple staple to hold the pages together and a document protector envelope are sufficient.

As in many cases, “less is more”. That is, we want a sketch of you, not a detailed painting!
