UAS COVID-19 Distribution Area Control Manager

Our UAS Community is counting on you to work with Facilities Services to make sure cleaning and mitigation supplies are distributed properly, are used correctly, and restocked in a timely fashion. In addition to the Area Control Managers, there are six distribution centers where students can pick up their supplies at; Library, Registrar/One Stop, Student Resource Center, IT Help Desk & Facilities Services

The following is a list of supplies that Facilities Services has available and their intended use.

- Cloth Face Covering – UAS Logo: *(one per Student, Staff, Faculty – until supplies run out)*
- Cloth Face Covering – White: *(one per Student, Staff, Faculty – until supplies run out)*
- Blue Pleated Face Covering: *(for when anyone forgets their cloth one)*
- Water Bottle: *(one per person – until supplies run out)* Available at Distribution Centers
- Hand Sanitizer 2-oz Personal Bottle: *(one per person – until supplies run out)* People are expected to save and refill this personal bottle at one of the many 1-gallon refill stations located around campus.
- Hand Sanitizer 1-Gallon Pump Refill for refilling 2-oz bottles. Located at Spikes, Library, Registrar, IT Help Desk, Facilities Services & Distribution Area Control Manger discretion.
- Sanitizing Wipes – *(Located in each classroom and common areas and are to be used to wipe down common use items such as Xerox, desks, tables, chairs, keyboards, key pads, etc.)*
- When Sanitizing Wipes are not available:
 - Disinfectant Spray Bottle (ZEP Spirit II) and Paper Towels.
- Thermometer – *(for use by those who want to take their temperature.)* Located at Distribution Centers, Control Managers
- Face Shield – *(For those who cannot wear a face mask – While supplies last)* Available at Facilities Services
