

# University of Alaska Southeast Institutional and Programmatic Accreditation Academic Program Review

*UA Board of Regents – September 2022*

## Institutional Accreditation (Regents Policy 10.02.070A)

The University of Alaska Southeast (UAS) has been accredited by the Northwest Commission on Colleges and Universities (NWCCU) since 1983. This accreditation includes the Juneau, Ketchikan, and Sitka campuses. At UAS, the Provost serves as the Accreditation Liaison Officer and is the primary point of contact for information regarding accreditation.

Institutional accreditation is regularly reviewed and reaffirmed by the NWCCU. UAS’s accreditation was reaffirmed in July 2019. That reaffirmation focused on a process of continuous improvement. In addition to these reports and visits, we communicate regularly with the NWCCU about substantive program changes including additions, suspensions, and deletions and about changes to institutional leaders and organizational structure. Below is a schedule of recent and upcoming institutional accreditation milestones. For more information about UAS institutional accreditation visit <https://uas.alaska.edu/provost/academic-affairs/accreditation.html>.

Milestone	Date	Description	Summary of Actions
<b>Comprehensive Peer Evaluation, Reaffirmation</b>	April 2019	Onsite Review based on UAS Self-Study	Reaffirmed with 5 commendations and 3 recommendations
<b>Mid-Cycle Evaluation &amp; (virtual) site visit</b>	April 2022	Review focused on Assessment, Data Collection and Analysis, and Planning. Update on prior recommendations	The NWCCU meet on 6/21-24/22 and accepted the UAS mid-cycle report and determined prior recommendations to be Fulfilled
<b>Year 6</b>	Spring 2025	Standard 2 – Policies, Regulations, and Financial Review	
<b>Year 7</b>	Spring 2026	Evaluation of Institutional Effectiveness	

Recently, we received notification from the NWCCU that our liaison has left that organization as of July 2022. As of the writing of this report, we are waiting notification of our new liaison.

## Specialized Program Accreditation (Regents Policy 10.02.070B)

There are multiple degrees and certificate programs that hold specialized programmatic accreditation at UAS.

### Teacher Education

The UAS School of Education received its accreditation by the Council for the Accreditation of Educator Preparation (CAEP). This accreditation covers initial and advanced teacher preparation programs. CAEP is recognized by the Alaska Department of Education and Early Development, the U.S. Department of Education and the Council for Higher Education Accreditation to accredit programs for the preparation of teachers and other professional school personnel. The following UAS programs are accredited:

- Elementary Education BA
- Elementary Education MAT
- Reading, MA
- School Administration (Educational Leadership), Principal K-12, Master's
- Secondary Education MAT
- Special Education BA
- Special Education MAT
- Special Education MED

### Accreditation Council for Business Schools and Programs

The following UAS Department of Business and Public Administration undergraduate programs are accredited by the Accreditation Council for Business Schools and Programs (ACBSP):

- Associate of Applied Science, Accounting
- Associate of Applied Science, General
- Bachelor of Business Administration, Accounting
- Bachelor of Business Administration, Human Resources
- Bachelor of Business Administration, Management
- Bachelor of Business Administration, Management Information Systems

### Health Information Management

The Health Information Management Associate Degree (A.A.S.) is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM). The Health Information Management (HIM) program provides a course of study, using primarily e-Learning methodology, which prepares entry-level health information professionals. Graduates are eligible to write the national examination; successful completion of the examination leads to the professional credential of Registered Health Information Technician (R.H.I.T.).

### Medical Assisting Certificate

The UAS Medical Assisting program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Medical Assisting Education Review Board (MAERB). Medical assistants are multi-skilled health professionals specifically educated to work primarily in ambulatory care settings, such as physician's offices, clinics and outpatient care centers under the direct supervision of physicians, nurse practitioners or physician assistants. Medical assistants perform both administrative and clinical duties.
